

Market @ The Meeting Place

Every 2nd & 4th Friday & Saturday of the month
9.30am – 1pm.

A new initiative for St Ninian's Uniting Church. Focus is on outreach to the community.

The purpose of the Meeting Place is to provide a means of connecting with the local community by creating:

- a. A safe space where people can meet others and enjoy some social interaction over a cup of tea or coffee in an inclusive, non-judgmental environment.
- b. A quiet room where people can read, reflect, have a private conversation or chat to an understanding listener.
- c. Reasonably priced quality goods such as clothes, books and household goods through our market stalls.

Morning teas and lunch available.
