'BEING BRAVE'

I'm not very brave when it comes to standing in front of a window of a very tall building. My knees start to shake and I feel quit sick in the stomach. Not very brave at all. Our children are quite the opposite, they're not afraid at all.

In the bible, Paul and his friend Timothy teach us about believing in God and being brave. Paul writes to his friend Timothy, and reminds him that God has a special purpose for him. Just like a warm hug from a friend, God's love comforts us and makes us strong.

Everyone has been given a special gift of some kind. Some children are great at sport, others are very musical, and other children are really good at reading, writing, and arithmetic. Paul talks about the gifts that God has given to Timothy, like a spark that can grow into a big fire. It's important to be like Timothy and not be afraid to use the gifts God gave us.

Paul also reminds us to be brave and to share God's love with everyone us. Even when things get a little tough, we can remember that God is always with us. Just like when we feel scared in the dark, we remember that the light of Jesus shines through the crack and is our hope and light when we feel scared. Through Jesus we can be brave.

So, let's be like Timothy! We can pray, share, and show kindness, knowing that Jesus gives us strength. Remember, being brave means sharing our hearts and helping others, just as God helps us. Let's spread love and joy every day!

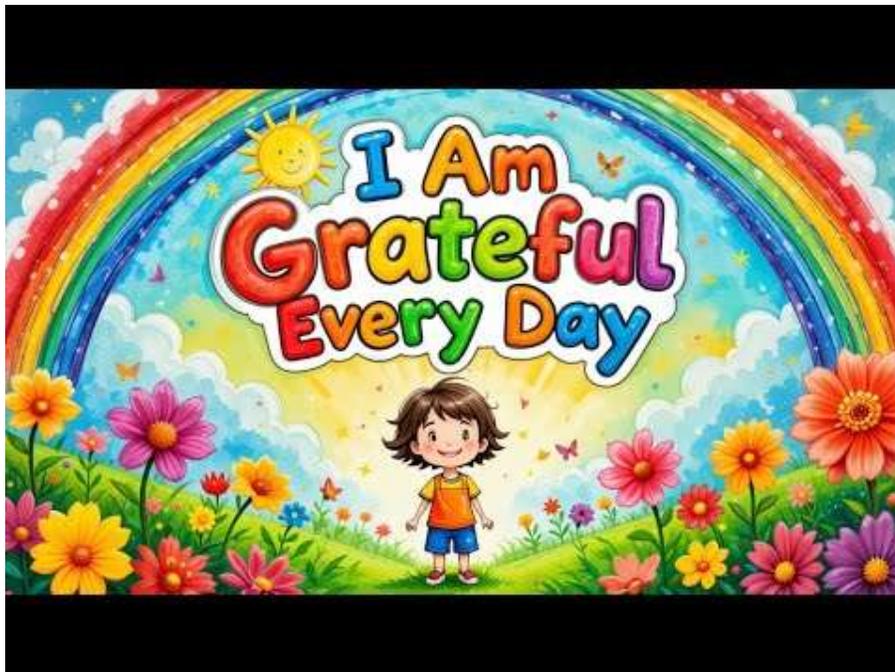

PRAYER: Lord God, help me to be brave like Timothy, to share your love and kindness with everyone. Thank you for the gifts you have given and help me to use them for others. Amen
