

Planting the Seeds - Watching Them Grow

He also said, "This is what the kingdom of God is like. A man scatters seed on the ground. Night and day, whether he sleeps or gets up, the seed sprouts and grows, though he does not know how. Mark 4:26-27 (NIV)

ST NINIAN'S UNITING CHURCH

PEBBLES SEPTEMBER 6TH 2026

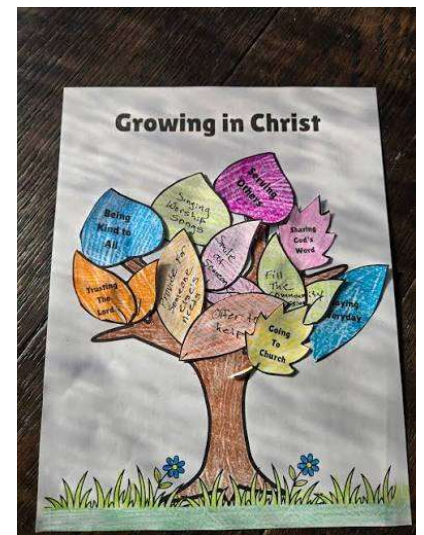

In God's garden, Mia and Ben found a tiny sapling tree. "Hello, little tree," Mia whispered. Ben held a watering can like it was special.

At sunrise, they looked for dry leaves. Some were dusty, so they gently brushed them with clean hands. 'Trees breath too," said Mia. They gave the sapling a careful drink, not too much and not too little.

When wind came, Ben built a small, safe shelter from the fallen branches. Together they pushed soft soil around the roots so the tree could stand strong.

Days passed. The little tree drank sunlight and learned to grow. Then Mia noticed why the tree felt happier. "We're looking after God's world." She said.

Ben nodded. "If we care for trees, they care for us too, they give us shade, fruit and clean air." Soon the little tree stretched higher, like it was smiling back to Mia and Ben.

Dear Jesus,
Thank you for the trees to give us shelter, food and good clean air to breath. Thank you for the people who plant and look after the trees for everyone in the world you made of us.
Amen

God Cares for the Birds, Flowers, and You!

Jesus reminds us in Matthew 6:25-34 that just as God cares for the birds and flowers, He is always caring for us.

Color all the birds, flowers, and grass in the picture.
